## MISS MOJO

Miss Mojo is a Brooklyn, NYC artist whose world moves between music, photography, poetry, modeling, and performance. A Hip-House emcee with beauty, bars, and unapologetic fem queen energy, she brings New York hip-hop's grit and lyricism to the pulse, freedom, and lineage of house music.

After more than a decade behind the scenes as a ghostwriter and producer, Mojo stepped into her own spotlight with her debut EP, JUICY, in 2021. Her work moves between creative freedom, community, and the power of taking up space.

### SELECTED LIVE HIGHLIGHTS

Shared stages with Ashanti, Cakes Da Killa, and Nitty Scott.
Headlined Harlem Pride in NYC in 2025.

### ART + COMMUNITY

Through her work with Black Trans Femmes in the Arts (BTFA Collective), Mojo champions Black Trans community, the arts, equity, and love.
